Hospice of Cullman County— Super Bowl Chili Lunch raised \$7500

The annual Hospice of Cullman County's Super Bowl Chili Lunch held in February raised more than \$7500 for their indigent patient care fund. "The community involvement was outstanding, especially the churches and other supporters that donated the chili and desserts for the event," said Clara Kent, Hospice Board Member and Event Chair. "We also received a lot of support from area businesses who supported this year's event with a large number of delivery orders." "This is extremely important to the patients and families who receive our care and support while dealing with difficult end-of-life issues," Hospice Director Susan Johnson, RN said.

Nell Dunlap, Shirley Quattlebaum and Hospice Inc. Board Director Amy Walker enjoyed attending the lunch.

Farewell to Derek Price

Derek Price, the Editor of the Cullman Times, has been a great board member since January of 2008. He has accepted a position as editor for another newspaper in his hometown of Greenville, Texas. Derek has been a great voice for United Way and has helped out whenever he was asked to do so.

He served on the Marketing Steering Committee in 2008, was a great sidekick on WKUL for the Small Business Blitz and has even delivered the closing remarks at the Kick-Off Breakfast. We will miss him. Good Luck!!
